

To: Non-Dealer Recipient of A-dec CAD Modules

Subject: Notice for Recipients of A-dec CAD Models

A-dec is pleased to provide you with permission to use copyrighted 2D and 3D CAD models of A-dec products within the following guidelines:

1. You may use the A-dec CAD models you received as part of a CAD software file of a dental facility design provided by an authorized A-dec dealer, A-dec, Inc., or a third party working with the dealer or A-dec, Inc. as needed in support of the sale of A-dec products, design and construction of dental facilities related to the sale of A-dec products, or installation of A-dec products.
2. You may provide these A-dec CAD models as part of a CAD software file of dental facility designs shared with other companies or individuals when necessary to support the activities described in paragraph 1 above.
3. When providing a CAD software file that includes A-dec CAD models as described in paragraph 2 above, you must also provide the recipient of the file with a paper or digital copy of this document to grant the recipient limited permission to use the A-dec CAD models.
4. Distribution of A-dec 2D and 3D CAD models outside of the conditions described in paragraphs 2 and 3 above is prohibited. Individuals or companies other than authorized A-dec dealers who require copies of A-dec 2D and 3D CAD models outside of the conditions outlined above can make a request to A-dec Customer Service. Those requests will only be fulfilled with approval of the local A-dec Territory Manager. To contact A-dec Customer Service in the US or Canada, call 1.800.547.1883. Outside of the US or Canada, call +1.503.538.7478.
